Employee Workplace Policy

1. Employment Categories

Employees may be Full-Time, Part-Time, Contract, or Interns. Employment terms are specified in the appointment letter.

2. Workplace Ethics

Employees must avoid conflicts of interest, protect company assets, and maintain integrity in all business dealings.

3. Internet and Device Usage

Company-issued devices are intended for business purposes. Unauthorized software installation and access to unsafe websites are prohibited.

4. Data Privacy

Customer information, financial records, and internal documents must not be shared with unauthorized individuals.

5. Expense Reimbursement

Business travel and approved expenses should be submitted within 15 days along with valid receipts.

6. Travel Guidelines

Employees traveling for business must obtain prior approval from their reporting manager and follow the travel policy.

7. Training and Certification

The company encourages employees to complete approved technical and professional certification programs.

8. Social Media Policy

Employees should not disclose confidential business information or represent personal opinions as official company statements.

9. Asset Return

Employees leaving the organization must return laptops, ID cards, access badges, and any company-owned equipment before the last working day.

10. Policy Updates

The organization reserves the right to revise policies based on legal, operational, or business requirements. Updated policies will be communicated through the employee portal.
